

Help Improve Metrolink Service

Los Angeles County continues to lag in making Metrolink more convenient to the passenger. To the south, Orange County will bring 30-minute Metrolink service to their area by the end of the decade. With some modest track improvements, the same kind of service can be brought to the San Fernando Valley. It is important that you as a rail user write to elected officials and urge them to bring 30-minute service to the Ventura County and Antelope Valley Lines! There are some improvements that can be pursued:

- Add a second track to the Ventura County line between Chatsworth and Van Nuys
- Add additional sidings to the Antelope Valley Line between Sun Valley and Santa Clarita
- Build grade separations at major street crossings
- Add reverse commute service between Lancaster and L.A. Union Station (LAUS)
- Increase midday service
- Add weekend service
- Add late night service to the Antelope Valley Line
- Build LA Union Station Run-Through Tracks
- Extend SFV lines to LAX via Union Station and Harbor Subdivision

Your Help is Needed to Improve Metrolink Service in San Fernando, Santa Clarita and Antelope Valleys

Act today! Your letters can make a difference!

Write to the Los Angeles mayor, county supervisors and Metro board members and ask that they fight to fund these vital improvements!

The Hon. Antonio Villaraigosa
Mayor, City of Los Angeles
200 North Spring St., Room 303
Los Angeles, CA 90012-3239

Zev Yaroslavsky
Supervisor, Third District
County of Los Angeles
